

# HOW TO USE THIS

# GRATITUDE JAR KIT

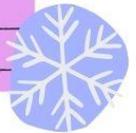

## Gratitude Cards:

With Pippin's happy flippers, print and trim the card. Color with joy, add your love, and share it with a warm, penguin-sized hug!

## Pippin's Labels:

Print and snip, then let your heart skip! Decorate with love and cheer, and glue it near your Gratitude Jar, where thankfulness appears!

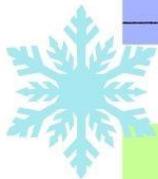

## Pippin's Stickers:

Print then cut/punch 1.5" circles. Glue onto your Gratitude Jar or drawing—stickers of joy to express your heart's thankfulness!

## Gratitude Prompts:

Print cut, and set the table with the cards for a thankful meal. Then, doodle your delight and put in your Gratitude Jar. Pippin can't wait to hear what you say.

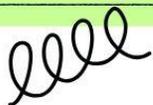

## Post-It-Notes:

Print, snip, and pop Pippin's notes into your Gratitude Jar. Use them every time or when a special gratitude moment strikes.

## Decorations:

Print, cut, and with Pippin's playful touch, add a sprinkle of wonder to your Gratitude Jar, notes, or cards—spreading love like stardust!
